( ) Other (Specify): _____

It is understood and agreed by the Applicant that upon approval of the application and the issuance of a construction permit that all construction, including but not necessarily limited to cutting, patching and inspection shall be accomplished in accordance with County requirements. Work shall not commence until the written approval is issued to applicant, and shall be completed before construction permit expires. By signing this application, the applicant certifies all state, federal and local permits for this work shall be obtained prior to the start of construction authorized by this permit.

It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the County's right, title and interest in the land to be entered upon and used by the Permittee, and the Permittee will, at all times, and to the extent permitted by law, assume all risk of and indemnify, defend, and save harmless Bay County from and against any and all loss, damage, cost or expense arising in any manner on account of the exercise or attempted exercises by said Permittee of the aforesaid rights and privileges.

If Bay County finds it necessary to widen or otherwise improve the road where this construction will take place, Bay County will not be responsible for any monetary cost that may be involved in the relocation of any sewage, water, cable TV, drainage lines/ditches or other facilities, placed in the County right-of-way by virtue of this construction authorization.

Right-of-way must be restored to as good as or better than before construction.

Permission is hereby granted to proceed with construction as noted above. Applicant shall notify the County Engineer's office 48 hours prior to the commencement of construction at (850) 248-8301.
